

Growing our Neighbourhoods

**Let's work together to connect neighbours,
support safety and build community pride!**

Growing our Neighbourhoods is the City of Armadale's universal, community capacity building approach to improve neighbourhood connections and support safe communities.

The City's Community Development team will roll out a number of initiatives that will assist residents in getting to know each other and explore their own neighbourhood.

Neighbourhood connection encourages

- community safety
- a sense of belonging
- reduction in isolation
- personal safety
- community support
- family and child safety
- collective ownership of public places
- active residents

The City of Armadale is committed to working with residents and local community groups in fostering connection and community pride.

How can you become an advocate for street and neighbourhood safety?

Get to know your neighbours!

- Spend time outdoors in your neighbourhood and explore your community
- Let your neighbours know when you are heading out of town
- Join your local Neighbourhood Watch or Community Group to know what is happening
- Teach your children street and personal safety
- Maintain the appearance of your front yard
- Increase eyes on the street for passive surveillance
- If you see something suspicious, report it!
Call Crime Stoppers on 1800 333 000 or contact Police on 131 444

The City's Community Development team will host workshops, coffee catch ups and BBQs to assist residents in getting to know each other and explore their own neighbourhood, with toolkits available for neighbourhood gatherings.

Keep an eye on the City's social media pages for event details, or email info@armadale.wa.gov.au to sign up to the **Growing Our Neighbourhoods Campaign**.
